UWSA Bike Lab
Mechanics Course

10 Classes | Starts Feb 10 | Every Monday 6 - 8 PM

UWSA Bike Lab's Mechanics Course covers skills from mechanic basics to brakes. It's **beginner friendly** and hands on! Graduates from the program are eligible to become key programming volunteers at the lab. Some of the skills you learn are:

- Nuts and Bolts/Bike 101
- Brakes
- Wheels and Tires
- Bottom Brackets
- Hubs
- Headsets
- Rear Derailleur
- Front Derailleur

Free | All Welcome | Register online at theuwsa.ca/uwsa-bike-lab or in-person at the Bike Lab on Mondays.
